Plesich Named to Gahanna Chamber Board of Directors

COLUMBUS, Ohio – January 26, 2010 – William Heifner, president of Renier Construction announced that William R. Plesich, director of sales and marketing for Renier Construction has been chosen to serve on the Gahanna Area Chamber of Commerce board of directors. In this position, Plesich will work with the community and the board to improve and sustain the local economic climate while enhancing the area's overall quality of life.

"I am honored to be part of the Gahanna Area Chamber of Commerce board," said Plesich. "Being involved with an organization that focuses on business growth offers a great opportunity to become more aware of the community's needs and a wonderful chance to give back."

Chamber President Leslee Blake is especially excited about having Plesich serve on the Gahanna Chamber board for his representation of the construction industry and specifically his industrial and development expertise. "We are confident that Bill will help to create new pathways and partnerships which will benefit our businesses and the development of our community," she stated.

Renier Construction has been a member of the Gahanna Area Chamber of Commerce for 12 years and Plesich has been active in fundraising and networking programs. In addition to his participation in the Gahanna chamber Plesich is also a member of the Greater Columbus and New Albany Area Chambers of Commerce.

About Renier Construction

Renier Construction is a leading design-build general contractor serving clients throughout the Midwest, Mid-Atlantic and Southeastern regions from its headquarters in Columbus, Ohio. For nearly 30 years, Renier has exclusively completed both new-build and renovation projects using the design-build partnering approach. The recipient of numerous awards for integrity and construction excellence, Renier primarily serves clients in the automotive, transportation, industrial, manufacturing, medical office, restaurant and multi-family industries. Renier has been a "Butler Builder" of Butler Manufacturing's pre-engineered building systems since 1984. For more information about Renier's services, projects or company contacts visit www.renier.com or call (614) 866-4580.
