

“Thanks, Renier

for your exemplary design, construction
and finalization of Ohio’s first full service ‘Lube’.

The imagination and dedication of the whole
Renier staff brought it home.

Job well done.”

Giving “them” a whole, new meaning.

Real race cars and motorcycles hang from the ceiling. A vintage Corvette is “parked” on the wall above a row of booths. It’s an archival atmosphere fueled with authentic racing and motoring memorabilia.
