### **Vasbinder joins Renier Construction Business Development Team**

COLUMBUS, Ohio – November 9, 2009 – William Heifner, president of Renier Construction announced today the addition of Michael W. Vasbinder, AIA to the Renier business development team. Vasbinder will utilize his experience in program management, design-build contracting and strategic planning to serve commercial and industrial clients.

“Mike brings a broad knowledge of all aspects of the construction process. His extensive experience in medical, industrial, office and restaurant construction will be a great asset for our clients. We are pleased to have Mike join the Renier team,” stated Heifner.

Vasbinder comes to Renier Construction with 30 years of business development, pre-construction services, design, estimating, scheduling, operations and client relations experience in the construction industry.

Vasbinder received his bachelor’s degree in Architecture from The Ohio State University. He is a member of the American Institute of Architects, is a licensed Architect in the State of Ohio, and a licensed General Contractor in Central Ohio and Florida.

He currently serves on the board of the Better Business Bureau of Central Ohio and The Arts Farm, the Olentangy School District Development Committee, and is a member of the Builder’s Exchange of Central Ohio. He has been actively involved with Big Brothers/Big Sisters of Central Ohio and the Neighborhood Design Center.

Vasbinder and his family reside in Powell, Ohio.

**About Renier Construction**

Renier Construction is a leading design-build general contractor serving clients throughout the Midwest, Mid-Atlantic and Southeastern regions from its headquarters in Columbus, Ohio. For nearly 30 years, Renier has exclusively completed both new-build and renovation projects using the design-build partnering approach. The recipient of numerous awards for integrity and construction excellence, Renier primarily serves clients in the automotive, transportation, industrial, manufacturing, medical office, restaurant and multi-family industries. Renier has been a "Butler Builder" of Butler Manufacturing's pre-engineered building systems since 1984. For more information about Renier's services, projects or company contacts visit [www.renier.com](http://www.renier.com) or call (614) 866-4580.
